

NGBA Scoresheet - Each coach needs to supply this info to the score keeper

Enter:
Team Name
Grade Date
Game Time

Keep a running score, circling for each basket and each player.

Thank you for volunteering by keeping the official record of the game.

Circle the qtr a player is in the game, helps to track equal time for all

When a foul is called, 'X' a foul for that player and add 1 to the teams fouls for the half!!!! Very IMPORTANT

Player name and Number - Referees will announce players number on a foul

Each team gets 7 fouls/half, after that its penalty, tell the ref!!!!

NGBA ROCKS!!!
